President's Message

Annual meeting

The annual meeting and elections will be held at 8pm April 10th in the clubhouse. The board will present a budget and new and old business will be discussed. If you have any questions or comments about your club this is a good place to take them.

Friends of the NRA

This year the friends of the NRA banquet will not be held in the clubhouse. The banquet will be held at the Nile Country Club, Saturday April 27th 5:30 pm. The Nile country club is located at 6601 244th St SW Mountlake Terrace. Our club has received many dollars from the friends of the NRA. The board of directors request that all club members join the NRA.

Olympia field trip

This past month Dan Barton, Russ Felch and Ken DeLeone attended meetings and observed testimony to the Senate. There have been many clubs and gun owners who have spent many hours talking to our elected officials. Senate bill 5831 was the outcome of their work. Senator Pam Roach saw the need for sportsman, hunters, clubs and land owners to work together to have a unified voice in Olympia. The Washington Sportsmen's Caucus has been the outcome. Our club has joined and now communications are flowing like mad. The power of the Caucus is our voice represents many thousand voters. In Olympia numbers are the name of the game.

Almost warm and dry

As the weather dries out and warms a bit it is time to pick up and clean up our club. Members who shoot on range #1 should start picking up the trash boards down range and clean up the area behind the benches. This area is the sole responsibility of members.

Legislative chairman

It has been some time since our club has had a legislative chairman. During our

many meetings in Olympia we were told that gun clubs need to have a known face in Olympia. This committee is needed more now than at any time in the clubs history. If you are interested and have the political skills needed to represent our club and the shooting sports please contact any board member or range master. A short outline of your back ground, training and qualifications would be very helpful.

John Conderman

Roy Is Retiring

Rangemaster Roy Stephenson is retiring after 24 years of employment with the club. A long second career after retiring from the Las Vegas police force. Shown here with Rangemaster Ann and Cashier Jazzmine at a small party thrown in his honor. He is moving to Oregon to fish and be closer to his son. We will miss him.

SAFETY IS JOB ONE!

Board Meeting Minutes

The Board has changed its policy and will be publishing their minutes after they have been read and approved at the next meeting. So the March Board minutes will be published in the next newsletter.

Rimfire Position Rifle

Smallbore Rifle League Report

This article reports on the WCW teams participating in the 2013 Puget Sound Riflemen's Association (PSRA) Winter League for weeks 6 through 8 of competition ending March 12. The league is formed from 9 teams from clubs based at Cascade, West Seattle and the WCW. This year we are shooting on the conventional smallbore target.

The WCW is fielding two teams, the Skunks and Wild Mink. Averages (out of 400 possible) are listed below:

Skunks

The Skunks finally got on the board, scoring a win over the Cascade Young Guns. Their record after 8 weeks is 1 win and 6 losses (including one bye). In most of these matches the Skunks shot well but were overwhelmed by their opponent's hot shooting and handicap. Averages for their first 7 matches are:

Jeff McGee	389.14
Arnie Graham	384.67
Ernie Snyder	375.14
Dan Graham	372.00
Susan Graham	355.29
Rob Hill	340.25
Jon Olson	337.00
Laura Olson	320.00
Evan Olson	314.40

Wild Mink

The Wild Mink continued on their hot streak, winning 3 matches, posting a record of 7 wins and 1 loss. This puts the Wild Mink in a tie for first place with Cascade. Averages for their first 8

matches are:

Emma Carey	392.86
Matthew Zoba	391.43
Alan Carey	373.00
Paul Zoba	365.00
Brien McCrea	357.88
David Somers	336.60
Ron Newton	318.50
Geoff Dirks	306.00

Individual Awards

Individual awarded weekly by class. Individual award winners from WCW are listed below:

Jon Olson-MK	344
Paul Zoba-EX	382
Evan Olson-MK	330
Alan Carey-EX	377
Ron Newton-MK	343

Range Committee

Pistol

The 69 Annual Spokesman-Review Indoor Pistol Postal League has been completed. And we are the big winners!

The Wildlife Committee of WA Team #1 came in 1st overall and 1st Class A with a ten week score of 11563. Our Team #2 came in 3rd overall and 3rd Class A with a ten week score of 11275.

Since the way this postal is run, our top 4 shooter of the week become the Team #1 and our next four shooters become our Team #2. The very best that Team #2 could do is 2nd. So our 5th, 6th, 7th, and 8th place shooters as a team beat all the other teams competing in this event except the crew at West Seattle who came in in 2nd place. This year there were 75 teams that started and 72 teams that finished, from all over the nation.

Gordon Buttke was our best shooter for this year's event, scoring 2901. **Jessica Jordan** was our best junior shooter setting a new junior female record of 2609 to go with her new match record of 272. Congratulations! [Results are posted.](#)

Orientation

The following new member applicants attended Orientation this month and received their membership cards:

- Rodney and Sharon Badger
- Christopher and Janelle Cass
- Petros Christophilois
- Clark and Jeri Combs
- Rick and Jean Curtin
- Martin Dahl
- Matt Detmon
- Jeffrey Dome
- Richard and Stephanie Hoverson
- Marcus Ingram
- Erick and Kerry Johnson
- Daniel Jones
- Glenn and Theresa Kaleta
- Dan Kellogg
- Stren and Carina Lea
- Andrew LeBlanc
- Troy and Tana Lehman
- Ping Look
- Kevin Malliris
- Mark and Alison McCallister
- Mackenzie McGehee
- Mark Messer
- Ron Mineo
- Benjamin and Darcy Monti
- Anthony and Susan Morrissey
- Josh and Annie Owen
- Hans Paulsen
- Tammy and Jory Prather
- John Rawlings
- Steven Robinson
- Milton and Jo Schneider
- Jeffrey and Jennalee Secrist
- Tobias Shiner and Diana Hill
- James and Alana Simon
- Alan Slothower
- Tonya and Ian Standaert
- Matt and Jennifer Standish
- Jeremy Stoltz and Sinenart Riensuwarn
- Jerry Sweet
- Joe and Jennifer Walters
- Thomas Warren
- Jeremiah Whitehall
- Lucas Whitehall
- Brian Wixson

Welcome to the club.

The next big pistol event will be our annual air pistol league. We will put up the reel in/out target carriers in the Clubhouse the day after the Annual Meeting and will shoot every Thursday evening from 7-9pm through the end of June. This is a great way to improve your pistol marksmanship and to practice the basics of slow-fire.

Vic Alvarez
Pistol Coach

2013 Wally Siebert Benchrest Match

This was our eighth year of our annual Siebert Shoot which may have had just a little bit more significance since Wally Siebert's passing last year. Wally was one of the old time NW Benchresters, whose specialty was optics. He started bumping scopes up in power many years ago and was instrumental in the development of the high power scopes used in today's Benchrest. A lot of people don't realize that the Northwest has played a large part in the history of Benchrest shooting, and Wally certainly has a place in that history.

Turnout was good with most of the available benches taken, and it sure was a beautiful day! Sunny skies, warm temps and low to moderate winds made for a very pleasant day on the range. The morning saw pretty much a trigger pulling contest at 100 yds. A little wind was present at times but was easily managed by most of these guys. Over half the shooters had "stayed clean" at 100 yds, (dropped no points) and X counts were starting to look like the range record might be in reach...

But of course the 200 yd portion of this shoot is almost always another story! After our lunch break a scan of the field of wind flags showed things had picked up a bit! Wind speed had increased and the direction of the flow was definitely more mixed than in the morning. Add to that shooting twice as far and things quickly become much more challenging! Points started dropping left and right! When the smoke cleared no one made it through this shoot without dropping at least a point or two, and that range record will stay in place for one more year at least!

It sure wouldn't surprise me to see range records start falling for our score shoots in the years to come. We have seen the emergence of the 30BR cartridge at Kenmore and the advantage on target of the bigger diameter bullet is obvious. In score shooting if you catch the outside of the target ring with the bullet hole it still counts the same as if you hit inside the ring. So the wider the bullet hole the more chance you have of catching the edge of the ring or X. The problem with this bigger bullet idea is that it has been hard to come up with a cartridge that shoots as accurately as the tried and true 6PPC, and bigger bullets mean more recoil to deal with. The 30BR has pretty much solved these problems shooting light (115 gr) 30 caliber bullets in a necked up 6BR case and using slow twist barrels. (1 in

18" twist) Accuracy has been superb and with the light bullets and the 13.5 lb rifles allowed for this type of shoot recoil is manageable. Are we coming to a time when a 30BR is necessary to be competitive in our score shoots? (we will see)

Ted Larson has been working with the 30BR. He bought some 30 caliber bullet dies and has been making his own bullets that have been working very well. I noted in an earlier report that he looked like the favorite to win the Wally shoot this year, and I was right! Ted came out on top in this very competitive shoot, dropping only one point all day

for a winning score of 499-27x! Ted used a Kelbly Panda actioned rifle, Krieger barrel smithed by himself, and Leupold scope. Great job Ted!

TED LARSON

There was not a lot of distance between the top shooters in this match, and it was mostly decided by X count. Here are the top five...

- 1st Ted Larson 499-27x
- 2nd Jeff Lewis 499-25x
- 3rd Johnny Johnson 499-23x
- 4th Jeff Yost 499-22x
- 5th Doug Schwind 498-12x

The Wally shoot has over the years turned into a bit of a money shoot. It never hurts competition to be able to take home some cash if you do well! We also have cash prizes drawn by bench number so even if you have a bad day at the bench you might still get the luck of the draw. This year we also had drawn prizes donated by Jeff Lewis's print shop and Graham Wind Flags.

All in all another enjoyable Siebert Shoot! Thanks to everyone who helped out. This one seemed to move along pretty smoothly due to those efforts!

This marks the beginning of our regular BR season here at Kenmore and from now on all will count toward our "Shooter of the Year" award. Our next shoot will be April 13th. Hope to see you there!

For more info contact Rick Graham at (206) 214-6484 or rgart@zipcon.net

CMP/Highpower Rifle

March 17, 2013
NRA 50 Shot High Power Match

In my view there was a good turn out for the first high power shoot of the season, Orin Humphries opined otherwise. 10 registered for the event, which included this humble correspondent as Master Chief Humphries was on the range to run the show. Thanks Orin! A special thanks to Jeff McGee as well. He arrived early and was anxious to get going. Jeff did the impact area walk to make sure there were no big rocks and set up all the targets and firing point numbers, while Orin handled registrations. Other regulars were expected yet there were reports that some had a bug and all that were in attendance appreciated them

staying home with their bug. The Graham family was out in force. Brothers Arnold and Dan squared off in a duel of the X-rings using the battle instrument that won World War II – the venerable M1 Garand. Dad Gerald was on hand to make sure things were under control. Actually, I think the rifles were his and he was just making sure they were properly attended to.

Dan was using vintage ammunition as well, Lake City 1953. Every round loaded went bang and put a hole in the paper, some in the X ring. I won't tell you who won out the Graham brother match; you will have to check match bulletin posted on range 1. No matter the score, I am sure there will be a rematch in the coming months.

Service rifles were prevalent for the event. Of the 10 shooters, only 2 were using match rifles, both on AR platforms. In the match rifle category Jeff McGee was present and there were no

comments on having a shot out barrel, apparently one has arrived not that it mattered. So per usual Jeff demonstrated mastery with a 495 – 23X and as usual was the match winner. Murray Hackett believed he had some mechanical issues yet brought up the rear in the match rifle group with a respectable 353 – 1X.

In the service rifle category there were several Garands in use. Bryan Wixson knocked off the dust on one of the club's CMP Garands and getting his Garand operational checkout paper from Orin. Russell Parr turned in the top service rifle score with an AR service platform firing a smoking hot 472 – 37X. More X's than Jeff's match rifle? What's up with that? I suppose that we will have to see at the next match on April 21, and you will have to read about in the May newsletter!

George G. Smith

SHOTGUN Committee

Spring is here! It's warming up, I know I can't wait to be able to shoot in short sleeves.

At last month's committee meeting we had a great turn out. Those that came to the meeting thank you, you are always welcome.

Youth Shotgun high scorer was LUCAS GEROW a first year shooter followed by MATT WILLIAMS and then STEPHEN PEARCE, both 3rd year shooters. BAILEY FJELSTUL was the High Lady shooter followed by first year shooter RILEY GEROW, sister of Lucas. Fourteen shooters finished the 10 classes spread out over 21 weeks and we had the highest average scores ever. They shot 3 classes of 16 yard singles, 3 classes of Continental, and 3 classes of 5-Stand. The last class was their choice and again they chose to shoot 5-Stand. After the second week they were encouraged to shoot a second shot at chips so sometimes scores of 29 and 30 were posted. Great bunch of kids and all are very safe shooters!

The Continental Trap League has drawn to a close for 2013. Team WCW came in second place in affiliated teams and fifth place overall out of the fourteen teams that competed this year. The top five shooters from WCW were Bruce Hargin, Scott Ray, Bill Boettner, Daniel Oliver, and Greg Miner. Also, Scott Ray won second place in class A. Daniel Oliver won second place in junior class. Bill Boettner won first place in veterans class, and he also won the perpetual trophy. Good going team WCW!

Spring leagues will be starting soon. Be watching the board at the shotgun range for more information.

Coming Events:

Paralyzed Veterans shoot, May 4th.
Anyone can participate in this shoot, and that includes the young folks. It supports a worthy cause, and is a lot of fun. The range will be open to the gen-

eral public this day as always, so if you just want to shoot a line or two, without competing you can.

We are looking for sponsor and donations, shotgun related items or funds to support the event will be appreciated.

May 18th is our annual PITA Shoot.

You need to be a PITA member to compete in this event. Annual membership fee for PITA is reasonable. Check out their web site for details and for more information about PITA: www.shootpita.com.

The range will be closed to public shooting during this event.

June 15th is the Ladies Shoot.

As I said last month, **LADIES ONLY**. This event is designed for women who would like to learn basic shotgun skills, or improve their scores, without men present.

The Day will include: Meals, Classroom Instruction in gun safety and shotgun shooting, Range demonstrations shooting 16 yard trap, with a few surprises throughout the day.

Cost \$50, cover ammunition, target, instruction, eye and ear protection and meals. **Pre-registration and payment is required.** The event is limited to 21 ladies, so sign up quick!

If any of you ladies would like to participate or help out with this event contact Pat Webster, 206-783-9994 or Email: patonpost1@msn.com.

Muzzle Loading Shotgun Day.

July 28th we will be doing some muzzle loading shotgun shooting. This is an elegant if not time consuming way to shoot trap. If you have a muzzle loading shotgun, come out and shoot. If you're interested come by and talk with the shooters, they love to share information about their hobby.

The range will be open to the general public for shooting.

We are looking for volunteers for all these events. Scoring (we will train), cleaning the traps between squads and food service etc. Be part of the action and help out!

If you would like more information or would like to help with any of the above listed events, feel free to contact me at the email listed below, or talk to the Range Masters at the Shotgun range.

Don't forget that the 1st and 3rd Mondays are Members only nights at the Shotgun Range.

Shotgun Committee meetings are on the 1st Monday each month. All members are encouraged to attend and see what it's all about..

FUN &SAFE SHOOTING!

Wayne Clapper
wwclapper@comcast.net

**Firearms
Education
Committee**

Basic Rifle class on 23 – 24 February was led by Bob Rye, with assistance from Ron Skinner and Allan Schneider. They awarded NRA Basic Rifle Certificates to 10 new rifle shooters.

Nine students attended the 2 March First Steps Shotgun class, to learn about shotguns and shotgun shooting. Phil Murray, George Smith, and Doug Peterson provided the instruction for this class.

John Marler, Terry Denton, Doug Peterson, and Ron Newton presented the lessons and line coaching for the class on the following weekend. Nine students became new pistol shooters at this class, on 9 – 10 March.

Our most recent class was Home Firearms Safety, on 16 March. Mike McNeff, Glenn Stinson, and Allan Schneider presented certificates to ten students who successfully learned basic firearms safety.

Our next Instructor Training Course is scheduled for 21 – 23 June. This is a good chance to learn how to pass on that knowledge you've spent your shooting career gaining. Give us a call, we would be glad to see you there.

Martin Morehouse

Vice-President's Message

Once again I have been asked to stand in for our president and address our membership. Here it is April and with daylight savings time our range hours have been extended. By the time this publication reaches you we may be already running our summer schedule. Daily closures of all member and public gun ranges are dusk or 7PM. Shotgun and public pistol range hours remain the same. Archery members with special use permit privileges can use the lighted flat range to 10 PM. Member archers without special use privileges must also follow the public closure at dusk or 7PM. Remember leave the gate as you found it.

WCW annual meeting

On April 10th at 8PM in the clubhouse we will have our annual membership meeting. At this time we will hold the election of Board Officers and Trustees for the next fiscal year. We will also present this year's budget for review and approval, and inform our members of club projects completed this year and those projects that are planned for the future. Deserts and drinks will be provided.

DOR meeting in Olympia

Board members Russ Felch, Dan Barton and I represented WCW at a recent Senate Ways And Means meeting in Olympia. The meeting was a result of a State tax audit conducted on several of the State's largest gun clubs. The meeting was well attended by several representatives of the larger clubs along with the NRA who spoke to the unfair State practice of double taxation on the purchase and sale of Clay birds. Apparently the Dept. of Revenue does not seem to consider double taxation as a problem. Go figure. Stay tuned for further developments.

2013 Gun Bills in Olympia

Listed below are the recent Gun Control Bills proposed by the elected representatives

HB 1588 Jamie Pederson (D-32) Crimi-

nalize all private firearm sales precursor of Universal firearm registration.

HB 1676 Ruth Kagi (D-32) Criminalize Storage of firearms.

HB 1703 Laurie Sinkins (D-27) Levy outrageous taxes on all firearms and ammunition sales. Create a bureaucracy known as firearm safety education program

HB 5737 Ed Murray (D-43) Jeanne Kohl-Wells (D-36) Ban on commonly owned firearms known as assault weapons and magazines that hold more than ten rounds. It would also allow home inspections by law enforcement officials.

It's this kind of representation by elected officials, that obviously know how to protect ourselves better than we do, that enforces the idea that every responsible gun owner in the nation should be a member of the NRA. Support the organization that fights for your 2nd Amendment freedom rights. Join today Thanks. The good news is all these bills are dead on arrival however we must remain vigilant until April 28th when our "leaders" go home and can do us no further harm.

The new range master you see in our rifle Pistol office is former Cpl Ryan Mayfield. Ryan comes to us by way of the US Marines. He was stationed at Camp Pendleton and was deployed for two tours of duty in Iraq totaling 16 months. Ryan spent most of his time stationed on the Syrian border near Falusia, not anyone's definition of a resort destination. Ryan was trained as an artillery man, machine gunner and MP where his duty was to train Iraqi National Guard, Desert Border Patrol Troops and Iraqi Custom Police Officers. Ryan we here at WCW want to salute your dedication and service to our country and are happy to see you returned home safely to your family. Welcome Home and welcome to WCW. Semper Fi.

Ken

Pistol Marksmanship and Competition Seminar

The 1st Saturday of each month we have a pistol training session for Bullseye and International Standard Pistol. Learn what competition is all about and get a lot of practice on timed and rapid fire. Need to bring, at a minimum:

- A. .22LR semi-automatic standard pistol (5" barrel).
- B. 300-400 rounds of .22 Standard Velocity LR
- C. \$10 fee

Starts at 9:00AM on Range #3

Shotgun hours of operation

Mon	Closed except Holidays
Tues	5:00 to 9:00 pm
Wed	Noon to 5:00 pm
Thur	5:00 to 9:00 pm
Fri	Closed except Holidays
Sat	10:00 am to 5:00 pm
Sun	10:00 am to 5:00 pm

1st Mon Members Only 5-9pm
3th Mon Members Only 5-9pm

The NRA and the WCW

Our club is an NRA recruiter, and we get a commission for all new members we sign up and for all renewals processed with our recruiter ID number. We receive \$10 for every new member and \$5 for every renewal.

The club has a significant number of NRA members and it would be a real benefit to the club for all those members to renew using the form below, or by using our web site direct link to the NRA renewals...on the home page. Besides, by renewing through the club, you save \$10. **Let's see, you save \$10 and the club gets another \$5....what a good deal.**

Then there are a great many WCW members who are not yet NRA members. The club would receive \$10 of the

\$25 special dues for every member who would join through the club. You would be doing your part on a national level to protect your gun and hunting rights. **You save \$10 and the club gets another \$10....a really good deal.**

Sign up your wife or husband or friends on an Associate membership for \$10 (no magazine) and the club gets a \$5 commission. Don't want to get the full membership, sign up for an Associate membership for yourself.

We have been getting an extra \$1,000 a year without much effort just from the few who sign up....we could get a great deal more and you would be doing yourself a favor. The benefits which come with an NRA membership are significant. You get \$1,000 un-scheduled firearm insurance and \$10,000/

\$5,000 accidental life insurance. And you would be adding to the strength of the NRA, which has passed the 4 million member mark. There is strength in numbers and the number of NRA numbers should be much higher. Let's all pull together and give them the support they need.

As an aside, the NRA provides the lesson plans and manuals for all our safety classes....and direct dollar grants for some of our projects.

Just remember, use the form below, or use our web site direct link. Write your check to the NRA or use your credit card for easy processing.

SAVE MONEY and HELP THE CLUB.

New or Renewal Special Rates for NRA Membership \$25.00

By special arrangement, the NRA is allowing us to sign-up members for **\$10 OFF** their regular 1 year dues. You **MUST** make your check out to the **NRA** or you will be charged sales tax. Mail it to the club, drop it off at the Range Office or mail it directly to: **National Rifle Association, Recruiter Program Department, 11250 Waples Mill Road, Fairfax, VA 22030-7400**
