## President's Message

New gate keys are available for our members that require them. The keys are available at the Range Office. The locks will be changed March 1<sup>st</sup>. I'm sorry that we were not able to give our members more lead time on the new keys. This year we did a total re-keying of the entire facility. Due to the number of locks that had to be changed it has taken us longer to complete the procedure than usual. Thank you for your patience.

Elections are coming. Members should be receiving their ballots in the mail next month. Be sure to VOTE! Remember it is your Club. Votes will be cast in the usual manner. All ballots must be in the ballot box prior to the Annual Meeting being called to order. The Annual Meeting will be Wednesday April 13 at 7:30 pm at the Club House.

After a long wait we now have the drawings for the Range 2 Side Baffles. We are in the process of obtaining bids for the construction of the baffles.

We are still in the investigative phase for finding why we have a large number of bullet holes in the baffles on Range 1. Apparently we have to remind every shooter that it is their responsibility to shoot safely and accurately. If you do not know where your rounds are impacting stop shooting.

Congratulations to those of you that have stepped up and are running for office or a position on the WCW Board of Directors. Good Luck to all!

Have fun enjoy your club and be safe!  
*Gary Webster*

### **Pistol hours of operation**

Mon	Noon to dusk (max 7PM)
Tues	Closed

Thur	Closed
Fri	Noon to dusk (max 7PM)
Sat	Noon to dusk (max 7PM)
Sun	Noon to dusk (max 7PM)

Firearms  
Education  
Committee

Our most recent month of firearms training classes started with Home Firearms Safety on 16 January. Eight students were introduced to firearms by Bill Bentler, John Marler, and Doug Peterson.

Our January Instructor Training class on the following weekend had nineteen students. Twelve of them were certified in Pistol, four in Shotgun, and three in Rifle. Eighteen of the students also completed the Home Firearms Safety instructor certification as well. Richard Ripley led the shotgun class, John Marler the rifle class, and Martin Morehouse the pistol class. Our assistant instructors were Mike McNeff, Dan Reynolds, Boyd Kneeland, and Ron Newton.

Back to our regular schedule of classes, seven students attended the First Steps Shotgun class on 6 February. Paul Brown and Mark Silver led this class.

And for our most recent class, eight students attended Basic Pistol. Marc Champagne led the class, backed up by Bob Williams, and Bill Bentler.

Teaching classes, or helping with classes, is a good way to learn more about shooting. It also helps introduce new shooters to our sport! Call us to help, or stop in and see what we're doing.

*Martin Morehouse*

**SAFETY IS JOB ONE!**

### Board Meeting Minutes

February 3, 2016

First Vice President Ken DeLeone called the meeting to order at 7:30 PM. All Board members were present except Gary Webster, Jim Dinnie and Larry Mallory.

#### Guests:

Jack Giuliano, Range Committee Chairman; Jim Thompson, Archery Committee Chairman; Orin Humphries; George Smith; John Marler and Kevin Kellogg.

#### Committee Reports:

Jim Thompson & Mike Wichser, Archery, including a request for the club to purchase 4 compound bows for classes, tabled; Jack Giuliano Range and Joe Rinaldi, Shotgun. The Shotgun Report will be in the Newsletter separately.

The Minutes of the previous Board Meeting and Quarterly Membership Meeting as approved by email were read.

#### Trustee's Report:

Jeff LeMoine discussed improvements and issues related to the clubhouse door replacement, a property maintenance schedule, the POS system, new locks throughout the facility and updating our security camera system. Dave Levinson reported the upgrade of the electrical service near the chalet is still waiting for the power pole to be installed. The re-vamping of the IT system was tabled until a group of at least 3 members volunteer their services for a committee. Discussions of the upcoming DOR tax meeting regarding double taxation of clay targets, club record storage and a background check for volunteers were also tabled.

#### Treasurer's Report:

Tami Gramer provided the monthly financial statement and the year to date budget report.

#### Old Business:

Mike Wichser reported that the Range #2 side baffle improvement blue-prints are completed. Ken DeLeone moved to accept all sealed bids submitted by March 31, 2016. 2nd by Dan Barton, Passed. Construction is projected to start the first week of July 2016. Dan Barton reported a detailed estimate of costs to provide range masters at

Ranges # 1, 2 and 3 during member only hours.

#### New Business:

John Conderman moved to approve the request of John Marler for scheduling recurring periodical NRA Instructor classes. 2nd by Ken DeLeone, Passed; Darian Carpenter moved to approve the request of Kevin Kellogg for a periodical "Wile E Coyote Rimfire" 100 yard shoot with the first occurring on April 16, 2016 2nd by Dan Barton, Passed; Dan Barton moved to appoint George Smith as the new HP Rifle Chairman, 2nd by Ken DeLeone. Passed; John Conderman moved to approve Steve Olheiser as Head Coach for the junior rifle team as requested by Jack Giuliano. 2nd by Dan Barton, Passed.

A special thanks to Orin Humphries and Chuck Barnes for their outstanding report relating to the damage to the Range #1 baffle from bench position #9. An abbreviated report will be in the March Newsletter. Joe Rinaldi will contact the Bothell Reporter regarding their request for an article in the weekly newspaper. A reprimand for a personnel matter involving a letter to the Board and others was discussed.

Tami Gramer moved to adjourn this meeting. Meeting adjourned at 10:40 PM. Submitted by Dan Barton, Recording Secretary.

### NRA 50 Shot Highpower Position Rifle Match

The February 2016 CMP Garand, Springfield, Vintage Military and Modern Military match got us off to a good start for the year. Nine total participants with two complete new comers to the game. Complete newcomers in that they had not fired a Garand, or a CMP match or BOTH!

A single relay was decided upon to accommodate position rifle qualifications and the M-1 Garand maintenance clinic that immediately followed the match. It was a busy match and although we pressed ganged an observer to help us out

– somebody was so engaged that they completely forgot to take some photos, OK, it was me, sorry about that. Someone please remind me to do that at the March 20<sup>th</sup> CMP match or do your own and please send them to me.

Competitors in the February match covered the entire spectrum of eligible rifles and then some. Jeff McGee, our resident High Master, joined in with his match rifle to get some practice before high power season gets in full swing.

Murray Hackett earned a Bronze Pin in the Modern Military class firing 423-8X while Orin Humphries did likewise in for the 1903A3 Springfield firing a hot 452-6X, just missing a Silver by 2 points!

The most welcomed new comers did quite well. Jonathan Standridge having never fired a Garand or participated in a match, borrowed one of the clubs Garands to fire a respectable 320-0X. All rounds were on the paper! Kurtis Johnson using a 1903 Springfield with the tiniest notch in a ladder rear sight and sans sling for the sighters and the 2 slow fire prone matches (before a loaner could be secured) fired an equally respectable 366-1X

Following the match, Orin and 4 of the match participants gave all 8 of the club's CMP Garands attention for an annual maintenance while at the same time learning the intricacies of Garand maintenance, from the club's Garand Guru.

Come join us for the March 20<sup>th</sup> match or any and all of our subsequent matches. Bulletins and notices are posted on the range bulletin boards and can be found at these weblinks. For the CMP matches on March 10, October 16, November 20 and December 18, go to [https://ct.thecmp.org/app/v1/index.php?do=matchRegistrationListUpcoming&filter=designation&filter\\_value=GARAND](https://ct.thecmp.org/app/v1/index.php?do=matchRegistrationListUpcoming&filter=designation&filter_value=GARAND) Approved NRA High Power Matches will be held on April 17, May 15, June 12, July 17, August 21 and September 18. The NRA competitions web link is - <http://competitions.nra.org/Tournaments/Views/TournamentStatus.aspx>

There has been a lot of activity to report since last month. We had our monthly meeting on Feb. 1, 2016. The meeting was brought to order at 7:00pm. Twentyone members attended. The first annual Don Isham Continental shoot was held on Sunday January 31<sup>st</sup>. There were eleven thousand clay birds launched with only seven broken birds. It should be pointed out that that range looked very well groomed and landscaped. Many thanks to the care takers of our property. Overall, we received a lot of compliments on everything from the way the shoot was conducted to the food. Many thanks go to the volunteers who contributed their time and service to help orchestrate the smooth functioning of the shoot. Our club members did quite well in this competition.

We set our next Pizza and Annie Oakley shoot for the next members/meeting night on March 7<sup>th</sup>. This is a fun event and we encourage members to attend.

It should be noted that three members of the board went to International Shot Show the week of Jan 17<sup>th</sup>. Gary Webster our current president, Patti Gary's wife, Dave Levinson and myself attended. We visited with some ammunition distributors, as well as powder distributors. Some headway, was made with powder manufacturing companies. In addition, we also discussed some design specification with range architects as it relates to range four construction. We also talked to a company called LIGHT FORCE about winter range lighting on the shotgun field. We also talked to an international Clay birds company in order to keep abreast of possible better pricing deals on clay birds.

We also discussed several upcoming events that are scheduled. Our next event is set for April 10<sup>th</sup> which is a doubles tournament which will occupy one trap only for a period of time depending on the numbers who shoot. This shoot will primarily be attended by our members. On May 14<sup>th</sup> we will have our full PITA shoot which will be organized again by

Nathan Ware. Nathan does a great job and should be lauded for his volunteering and enthusiasm for the promotion of shotgun competitions at our club.

We also scheduled our two summer pot luck event for July 18<sup>th</sup> and August 15<sup>th</sup> respectively in addition to our Disabled Veterans shoot which we scheduled for August 20<sup>th</sup>.

Lastly, we voted to approve a recommendation to the board that \$500.00 be allocated to the State competition shoot that is held annually. The meeting was adjourned at 7:55pm.

**Orientation**

The following new member applicants attended Orientation this month and received their membership cards.

- John Bossen
- Mark Brockway
- Matthew and Amy Bustad
- Sean and Mitzi Charlton
- Robert and Tomoe Dunning
- Paul and Christine Flynn
- John Fox
- Thomas Hall
- James Heath
- Gray Jensen
- Andrew and Beth Johnson
- Perry and Diano Koops
- Jizhou Li
- Kyle and Tiffany McMillan
- Rich Miller
- Jake Morgan
- Oleg and Marina Nadykto
- Arthur Nickel
- Nina Rice
- Doug and Dina Shepard
- Seth and Jennifer Talbott
- Scott Thornber
- Jonathon Weighell
- Tory and Katerina Wolff

*Welcome to the club.*

***Donations***

We receive many donations during the course of a year .....and we are very grateful. While we are not a charity and donations are not charitable contributions for tax purposes, all donations are put to work improving the facility and its operations. This month we received:

**\$100 Donations**

- Louis Barinaga
- James Harding
- John Kalina
- John Kovacich
- Kenneth Lindstrom
- Peter Vial

**\$75 Donations**

- Christian Erb
- Dan Ivanoff
- Martin Lammers
- Todd Mackie

**\$50 Donations**

- Jason Jaujou
- Florin Nutu
- Ali Simsek

**\$25 Donations**

- Ron Baehm
- Chad Cechini
- Ross Cleveland
- Guy Conversano
- Ivan Cross
- John Dixon
- Abel Ezcurra
- Wesley Hebert
- Zachry Hopkins
- Scott Johnson
- Carl Knabe
- Jeffrey Kropp
- John Loendorf
- Robert Miller
- Lyle Rice
- Robert Shealy
- Andre Tiffany
- David Zenger

**\$20 Donations**

- Bobby Kelly

**\$12/\$10/\$5 Donations**

- Raymond Cox
- Robert Ferrell
- George Hudson
- Paul Sherman
- Dallas Soward
- Terry Tradal
- Devin Hamilton
- Richard White
- Gavin Cohrs

*Thanks*

### Kenmore Range Benchrest Matches

We had a very good turnout for our February match which was a warm up match for next month's Siebert Shoot. It was a cool, cloudy early Spring day with challenging winds for a good part of the match. It was good to see some new shooters. Thomas Horne showed up with a beautiful bench gun he found at Cabela's. We welcome all new shooters!

As we will in the Siebert match, we shot at 100 and 200 yards. Match strategy, as always, is to shoot as many Xes as possible and to not drop any points. The best shooters will not drop any points at 100 since this is short range. They need to accumulate as many X points as possible since at 200 yards it's much harder to consistently shoot Xes. In theory, a thirty caliber rifle has a better chance of racking up a lot of Xes. This proved to be true in this match though only partly. The 6 PPC still has a slight accuracy edge over the .30 BR but the larger bullet diameter of the thirty is a huge advantage for staying within the 10 ring and for grazing that pesky little X dot.

In match one, in custom class, Khanh Nguyen shot the best score, 100-10X, in other words, the best possible target. This was with a .30 BR. Rick Graham was right behind with 100-8X and Ted Larson was third with 100-4X. In factory class, Kevin Kellogg shot the best factory score of the day with 100-3X, Bryan March was second with 99-3X (shooting a very accurate Savage in 6BR caliber) and Jeff Locke was third with 97-1X.

In match two, Khanh almost matched his first score with 100-9X, Richard Jette, Ira Gross and Jeff Lewis all shot 100-7X and Ted and Rick shared third place with 100-5X. Some terrific shooting all around! In factory class, Jeff and Kevin tied for first with 99-3X, Bryan was second with 98-1X and Dennis Tyskiewicz was third with 93-0X.

Okay, moving out to 200 yards. In cus-

tom, Khanh was again first with 100-3X, Doug Scwind was second with 100-2X and Jeff Lewis scored 100-0X for third place. This was the windiest phase of the match and the scores reflect this. It actually calmed down a bit later on. In factory Bryan was first with 99-1X, Kevin Foreman and Dennis shared third place with 94-0X.

In match four, our veteran shooter, Ted Larson, came in first scoring 100-5X. Rick shot 100-4X and in third Richard Jette and Khanh both shot scores of 100-2X. In factory, Jeff Locke snapped to attention and beat everyone with 99-0X. Bryan and Kevin both scored 97-2X for second place and Dennis shot an undorned 97 (0X) for third.

It was a good day of shooting. Thanks to everyone for carrying target frames and to Jeff Locke for helping with the scoring. In custom Khanh had the best aggregate score, not dropping any points and shooting the little X 24 times. Great shooting Khanh! And in factory, Bryan March took home the big money, dropping only seven points and shooting seven X. I think he's going to be sticking with his "new" Savage for a while.

In the Siebert match next month we'll shoot ten targets total, only one shot per bull. So bring enough ammo for 50 shots for record plus more for sighters and fouling shots. We'll draw for benches and the match fee will be a little more than normal. We'll take a lunch break after the 100 yard phase. Plan on a slightly longer match than usual. If you have something you'd like to donate as a prize that would be great. For information, call Richard Nicol at 206-784-1093 or Dennis Tyskiewicz at 425-409-1223.

### Rimfire Position Rifle

The 2016 Puget Sound Riflemen's Association (PSRA) Winter League is nearing mid-season. This article reports on results through February 9. Five teams based at Cascade, West Seattle and the WCW form the league.

WCW fields two teams, the Skunks and Wild Mink. This year the league is using the challenging USA-50 target.

#### Skunks

The Skunks had a couple of close losses and stand at 1 win and 3. Averages (out of 400 possible) are:

Jeff McGee	375.25
Arnie Graham	369.75
Dan Graham	330.67
Susan Graham	310.10
John Olson	266.00
Justin Miller	243.75

Jeff McGee and Arnie Graham have the first and second high averages in the league, respectively.

#### Wild Mink

The Wild Mink are close to the top with a record of 3 wins and 1 loss. Averages are:

Aidan Huck	354.50
Jason McCurry	351.00
Matt Martin	346.50
Alan Carey	343.00
Abigail McCurry	329.50
Brien McCrea	317.67
Lilly Zachary	316.00

### Range Committee

### Pistol

The Winter League Bullseye Postal event finds the WCW#1 leading the 75, 4-shooter, teams after the first 7 matches by 43 points, with WCW#2 laying in 7th place. Our closest competitors are a team from Portland and our fellow shooters in West Seattle.

**CLUB GARANDS**

On Sunday the 21<sup>st</sup> of February we had a class on care and maintenance of the M-1 Garand rifle, the “greatest battle implement, etc.” - one G. Patton. The class was offered with no fee this year as could be the case for future repeats. People give their time and labor in exchange for knowledge and hands on experience. The class set a record for this sort-of-annual event. We had five people as compared with the past when there were two or three students.

Field stripping and cleaning followed by preservation fully filled the time. The class had to be fitted in between 1:00 and 3:00 so it stopped short of removing the bolt and disassembling it.

The class began with a lesson on how the traditional ways and equipment we use for gun cleaning will destroy them without ever firing a shot. Seriously. The class is offered on a by-popular-demand basis, so...and cleaning is universal, not just for Garands.

Three of the rifles had not been fired in the preceding year so they got their preservative treatment renewed. Two others had been cleaned after firing as is required of borrowers, so all they needed was renewing the preservation. One rifle was used in the morning’s CMP Match so the class got to see where you have to look to find all of the nooks and crannies in that intricate design. The class was shown how a lot of simple dish detergent in water is head and shoulders above any smelly chemical you can buy for cleaning a barrel. I use Prell, Dawn, and Palmolive to clean every gun I have. (I can’t use smelly chemicals anyway; my wife insists on cooking in my gun cleaning room, and she hates strong smells.) The fastest and proper way to remove copper from a bore is shown only in this class, using Sweet’s 7.62. You won’t see the fine points of this anywhere else. So maybe check us out next time.

“Thanks”, to everyone who participated. Our rifles are in good shape for another year.

*Orin Humphries*

*Bits and Pieces*

This is leap year and one of our old members, Ed Pack, gets to have his 25th birthday....one every four years. On February 29th, Ed will actually be 100 years old!

Ed has been actively involved in club activities since joining in the 1970’s. He spent many years in the 2nd and 1st Vice President cycle while I was President. He ran our Hunter Education program longer than anyone, and expanded it to include our instructors teaching classes for the city of Lynnwood. He established the club’s periodic handloading classes and was always looking for the “better” hunting round.

Let’s wish Ed a very happy 100th Birthday, with many returns of the day.

On a sour note, some member has put holes in the new baffles on Range #1. The baffles cost the club (and you) thousands of dollars and they are there to catch the errant shot that would otherwise land on one of our neighbors. If we find a member deliberately putting holes in our baffles, he will be banded from this facility for life....and charged for the damage.

*Vic Alvarez*

**Wile E. Coyote Rimfire 100**

**Saturday, April 16th**

Sign in begins at 8:30 am  
Shooting begins at 9:00am and ends at 1:00pm.  
(On Range #1 - The Members Range)

Open to the  
**Public and Members**

**THIS IS A SHOOT FOR ANY RIMFIRE RIFLE!**

- ◆ Any Calibre
- ◆ .22 LR - .17 HMR - .22 MAG
- ◆ Scope Required (9x or higher recommend)

**We’ll be Shooting at 100 yards.  
All shooting will be off the benches.**

- First stage:** 20 shots for score.  
(You may use bipods or bags for support. No mechanical rests.)
- Second stage:** 20 shots for score.  
(You will be shooting, sitting at a bench, using your elbows for support.)
- Third stage:** Various fun targets!  
Bring at least 75 rounds...100 to be safe.

**\*Entry Fee: \$20 cash**  
(\$5 of this will be paid out in cash prizes!)

Contact Kevin Kellogg with any questions @ [kevanna9@comcast.net](mailto:kevanna9@comcast.net)

**The NRA and the WCW**

Our club is an NRA recruiter, and we get a commission for all new members we sign up and for all renewals processed with our recruiter ID number. We receive \$10 for every new member and \$5 for every renewal.

The club has a significant number of NRA members and it would be a real benefit to the club for all those members to renew using the form below, or by using our web site direct link to the NRA renewals...on the home page. Besides, by renewing through the club, you save \$10. **Let's see, you save \$10 and the club gets another \$5....what a good deal.**

Then there are a great many WCW members who are not yet NRA members. The club would receive \$10 of the

\$25 special dues for every member who would join through the club. You would be doing your part on a national level to protect your gun and hunting rights. **You save \$10 and the club gets another \$10....a really good deal.**

Sign up your wife or husband or friends on an Associate membership for \$10 (no magazine) and the club gets a \$5 commission. Don't want to get the full membership, sign up for an Associate membership for yourself.

We have been getting an extra \$1,000 a year without much effort just from the few who sign up....we could get a great deal more and you would be doing yourself a favor. The benefits which come with an NRA membership are significant. You get \$1,000 un-scheduled firearm insurance and \$10,000/

\$5,000 accidental life insurance. And you would be adding to the strength of the NRA, which has passed the 4 million member mark. There is strength in numbers and the number of NRA numbers should be much higher. Let's all pull together and give them the support they need.

As an aside, the NRA provides the lesson plans and manuals for all our safety classes....and direct dollar grants for some of our projects.

Just remember, use the form below, or use our web site direct link. Write your check to the NRA or use your credit card for easy processing.

**SAVE MONEY and HELP THE CLUB.**

**New or Renewal Special Rates for NRA Membership \$25.00**

By special arrangement, the NRA is allowing us to sign-up members for **\$10 OFF** their regular 1 year dues. You MUST make your check out to the **NRA or you will be charged sales tax**. Mail it to the club, drop it off at the Range Office or mail it directly to: **National Rifle Association, Recruiter Program Department, 11250 Waples Mill Road, Fairfax, VA 22030-7400**
