President's Message

Have you ever heard the expression, don't believe everything you think? It can get you to thinking in a little more humble terms. A good example is what happened to me the other day. I went to the outdoor sportsman's church also known as Cabela's. It was one of those days when I was all in a twitter about a sale on something I just couldn't live without whether I use it or not. I'm sure I'm not the Lone Ranger in that particular compulsion. Of course in order to get the smoking hot deal I had to spend at least \$150.00 which is not hard but definitely a marketing slippery slope. But this day truly was my lucky day.

As I stood there pondering over my potential good deal a gentleman who works in the store was there with a friendly can I help you request. I was a bit amazed at the asking price of this particular item. I asked is this the right price? He responded in the affirmative. As my salivary glands started act up at my good fortune this gentleman sweetened the pot even further. For some unknown reason he decided to take another twenty dollars off the sale price. I thanked him profusely. I'm flying high now as I was faced with the delight of having to shop for additional can't live without items to make that 150 summit. So off I went a smile of smug satisfaction to buy these additional items. Upon completion of my shopping and doing some quick figuring I headed straight away for the checkout counter. The woman who was working at the counter seemed a little perplexed if not annoyed by the fact that I handed her a \$20.00 coupon but also another hand written slip from the kind salesman. She appeared to stumble and get increasing grumpy (mostly with herself) about the complexity of this transaction. From my vantage point I started to make a judgmental assessment relative to this woman's competence. Of course my patience level was being tested but I remained unperturbed.

Finally, the transaction concluded and as I walked away I heard this woman say the following to her fellow employees. "I'll see you guys on Sunday when I return to work. I've got to go put my dog down now." All of a sudden whatever I was thinking got a serious test in my afore-

mentioned belief. It was a good lesson and one I will soon not forget.

So, you might ask, what does this have to do with Kenmore Shooting Range. Sometimes, especially members get a little testy with employees and other personnel at the club. Please be considerate, it goes a long way. You never know what they might be thinking. On another note I want to take this opportunity to thank Risa Thomas and Majsan Champagne for the excellent Woman's Night program they have put together at shotgun which occurs the second Wednesday of every month. I personally have witnessed somewhere around thirty shooters in 25 degree weather not too long ago. I would also be remiss if I didn't mention all the others who have capably helped them keep this program growing.

Lastly, it is imperative to mention the loss of one of our most famous members. Richard "Gill" Gilmore age 94 left us recently for the big gun range in the sky. Why was he famous? Because he piloted bomber aircraft in World War two in the U.S. Eighth Air Force, which pummeled Germany by day while the British bombed at night. If you want to get an idea of the bravery involved read the book Masters of the Air by Donald L. Miller. He was a real presence who lived a long storied life. There are lots of humorous stories many of our members can recount about this Man. Thank you Gill for keeping us free.

Joe Rinaldi

Pistol hours of operation

Mon	Noon to dusk (max 7PM)

SAFETY IS JOB ONE!

Board Meeting Minutes February 1, 2017

President Joe Rinaldi called the meeting to order at 7:00 PM. All Board members were present except Larry Mallory and Gary Webster.

Guests:

Jack Giuliano, Range Committee Chairman; Dave Elliott, Shotgun Committee co-chairman; Horatio Delgado, Hunter Education; Mark Silver; Jim Thompson, Archery Committee Chairman and Andy Burke representing Brookside Elementary School.

Committee Reports:

Jim Thompson representing Archery, Jack Giuliano Range and Dave Elliott Shotgun.

The Minutes of the previous Board Meeting and Quarterly Meeting as approved by email were read.

Treasurer's Report:

Tami Gramer provided the fiscal year and January 2017 financial report.

Trustee's Report:

Jeff LeMoine and Dave Levinson reported inventory reduction progress and Labor & Industries concerns.

Old Business:

Dave Huynh explained the progress made with our new WCW website.

New Business:

Jeff LeMoine moved that the Minutes of the January 21, 2017 Special Meeting of the Board be included for the record and publication. 2nd by Dan Barton. Passed; Ken DeLeone moved to hire Mark Silver as an independent contractor. Contractor agrees to perform the following services: Human Resources, Risk Management, Loss Control, OSHA Compliance and other services requested by the client within the scope of S2 Services Northwest, LLC. 2nd by Dave Levinson. Passed; Tami Gramer made a Motion that as of this day forward no new lifetime memberships will be offered. 2nd by Dave Levinson. Passed; Regarding Archery Special Use requirements. 1) Ken DeLeone moved that a member must attend an Archery Committee meeting where they will be

given a form for 6 documented club visits for archery use only. 2) After completion of the Range Master documented visits, the member must attend a subsequent archery committee meeting to submit his completed form. Motion tabled.

Joe Rinaldi informed the Board of the new "Emergency Procedure" signs placed throughout the facility.

Ken DeLeone moved to adjourn this meeting. Meeting adjourned at 9.45 PM. 2nd by Joe Rinaldi. Passed. Submitted by Dan Barton, Recording Secretary.

Special Board Meeting Minutes January 21, 2017

President Joe Rinaldi called the meeting to order at 10:00 AM. All Board members were present except Jim Dinnie, Mike Wichser, Gary Webster and Tami Gramer.

Guests:

Jack Giuliano, Range Committee Chairman

Old Business:

This Special Meeting was held to discuss Special Use requirements and proposed changes.

New Business:

No Motions were made, discussion only.

Meeting ended at 1:00 PM.

Orientation

The following new member applicants attended Orientation this month and received their membership cards.

Gregory Ashworth
Trace Clark and Amanda Sparks
Howard DeRusha and Kay McAndie
Jordan Gumke
Collin Natterstad
Reginald Olsen
Jeff Regelein
Stephen and Michelle Retherford
Qing Ruan and Qing Zhang

Welcome to the club.

**Firearms
Education
Committee**

Firearms Education is one of the services we offer to the public at Kenmore. We conduct classes for beginning shooters, and classes for those who want to become instructors. Here are the classes we've offered since the start of the year.

The First Steps Shotgun class on 7 January had two instructors; Paul Brown and Ron Newton. They introduced eight new shooters to the safe use of the shotgun.

Our Phase II Basic Pistol class on 14 January saw eight students completing the lessons and the firing exercises. Ron Newton, Jo Schneider, Manny Perez, George Smith, and Kevin Bridgeford provided the instruction and coaching. For the weekend of 27 - 29 January, we changed focus and conducted instructor classes in Pistol, Rifle, and Home Firearms Safety. For Pistol, Richard Ripley, John Marler, and Ron Newton certified ten new instructors. Dan Reynolds and Lance Chaar certified another ten pistol instructors as well. For Rifle, Martin Morehouse and George Smith had twelve students, and For Home Firearms Safety, Richard Ripley, John Marler, Lance Chaar, and Martin Morehouse certified 23 of the students.

On 11 February, our Phase II Basic Pistol class had six students. They were well coached by Marc Champagne, Ron Newton, John Milan, Manny Perez, Lance Chaar, and Emylee Norgaard.

And finally, on 18 February the Home Firearms Safety class was full, with fourteen students. Richard Ripley, Manny Perez, Emylee Norgaard, and Hugh Jamieson introduced the students to firearms safety.

We have classes every weekend, and can always use help presenting the shooting sports to more new people. Stop by a class to find out more. Call us if you want to help teach, or even take a class yourself!

Martin Morehouse

SHOTGUN Committee

Youth Shotgun

Youth shotgun began last November with another full class of 15 shooters with 5 "alumni" shooters from previous years and 10 new shooters. Youth shotgun is designed as a safety education class that teaches youths ages 10-15 both shotgun safety and range safety as well as the fundamentals to successfully shoot 16 yard trap, Continental trap and 5-Stand. Coached by Youth Shotgun Chairman Mark Silver and assisted by Club President Joe Rinaldi and Club Trustee Dave Levinson, the youth shooters spend 3 weeks at each discipline every other Sunday.

We have completed both 16 yard trap and Continental trap and have just moved over to 5-Stand. Second only to safety, the goal is to get everyone comfortable shooting and improving their fundamentals including stance, mount, focus and lead which leads to more targets broken, increased scores and loads more fun.

We keep track of scores each session and they are updated and posted in the Shotgun Clubhouse. Currently, brother and sister Gregory and Meryn Stewart are leading all the shooters. The entire Stewart family are at the range often practicing and both kids and their Dad are now competing in various club events (Mom and Meryn are also frequent Ladies Night shooters). Ten year old Gregory was the recent Kenmore Gun Club overall high scoring Kenmore shooter for the McMertry shoot between the Kenmore and Machais gun clubs. Both Gregory and Meryn have also shot 25 straight, with Meryn's coming during a registered PITA shoot at the club.

I always get a kick out of a shooting line returning back to Clubhouse after having shot a practice round with some of our top youth shooters. You can often hear them muttering "Beat by a little kid" under their breath! When you see our youth shooters at the club, please continue to be welcoming and encouraging toward them--remember they are the future and lifeblood of the club and shooting sports.

Our final shooting discipline will be the

choice of the class immediately followed by the end of year class celebration and a pizza and ice cream party with an awards presentation for the top shooters and most improved shooters.

5-Stand League

The brainchild of Travis Kuykendall and Mark Silver, two average 5-Stand shooters, the goal was to put together a fun 5-stand league open to all where anyone wanting to compete in 5-stand could do so where the emphasis was on fun and improvement and forcing many shooters out of their comfort zone of shooting only the easy cards at 5 stand.

We started with a modest \$15,00 entry fee. The rules were simple. There would be 7 intervals of approximately 2 weeks each. Participants would shoot standard 5-Stand rounds during each interval and be assigned 2 pre-designated cards to shoot every interval. 43 shooters joined the League including club members, public shooters and members of other clubs.

On the first day of each interval, the 2 cards to be shot during that interval were released to the shooters. Shooters purchased a League ticket for that interval for \$1.00 containing the card numbers for the interval. Participants shot at their convenience anytime during the interval shooting period. Participants could purchase as many League tickets as they wanted for shooting during each interval and only the highest scores for each of their 2 pre-designated cards submitted during the interval were used in the scoring process.

When the participants were ready to shoot for score, they placed both their 5-Stand punch card and the League pre-designated card interval ticket in the appropriate card slot at 5-Stand and shot their round. The 5-Stand trapper who scored the round would enter and validate the score and initial the League ticket. When the 2 rounds of the interval League ticket were complete, the shooter would drop their validated tickets in the lock-box on the 5-Stand League board at 5-Stand. If the participant didn't like one or both of their scores, they could purchase additional tickets to improve their scores for that interval.

The Lewis Class system as described by the nssa-nasca.org was used to determine the classes and winners in each class. It was fun to see the shooters move up and down in

class and between the 4 classes as the intervals moved forward.

After recovering modest expenses for the League ticket printing and the 5-Stand League board and lock-box, all remaining money went into a prize pool. After expenses, 5% of the entire prize pool was withdrawn to form the Trapper Tip Pool which was given to the shotgun Range Desk for their discretion in disbursement.

20% of the money (after expenses) was withdrawn to form the All Shooter Pool which was divided equally among all 43 5-Stand League participants (this amounted to \$13.00 each so the price of the League entry fee was nearly returned.)

The top two shooters in each class divided the remaining funds with higher amounts going to the top 2 league shooters.

Congratulations to the top two shooters for each class who were:

Overall Top Shooter: Mark Johnson
Second Top Shooter: Phillip Strelau

Class 2 top shot: Jim Painter
Class 2 second top shot: Jake Jensen

Class 3 top shot: Jeff Komatsu
Class 3 second top shot: Curtis Dunbar

Class 4 top shot: Brad Bennett
Class 4 second top shot: Travis Kuykendall

We will send out a survey to the participants to see what they liked and didn't like and make improvements for the next league.

As an aside, even though this 5-Stand League was run separately from the gun club, the club saw a vast revenue increase in both 5-Stand punch cards, ticket sales and ammunition sales as League shooters practiced frequently before turning in their interval tickets to shoot for score. Prior to the League commencing, there were often slow times on the 5-stand range but once the League started, 5-Stand was busy all times it was open, including wait times on weekends and Wednesday afternoons.

Submitted by Mark Silver

**Kenmore Range
Benchrest
Matches**

Benchrest Match Report February 2017

We had another good turnout for our February match, nearly filling all the benches with a good representation in all three classes of rifles (Custom, Custom Factory and Factory). We're happy that Henry Ohrzada came over from East Wenatchee again and we had three new shooters, Ric Testagrossa, Scott Burks and Richard Resnick. We hope they come again. It was good to see Kevin Kellogg join us again and bolster the number of shooters in the factory class. It was a typical winter day in the Puget Sound region, not real cold, not real windy, not too wet. In other words a perfect day for a rifle match. This

month's match was sort of a practice match for the March match which is the Wally Siebert shoot which is shot at 100 and 200 yards. Of course all our matches are score matches. So after this

match the shooters should be all set to go next month.

We started our match at 200 yards today which turned out to be a good thing since in March we'll start at 100, if that makes sense. In match one in Custom class: First place went to Khanh Nguyen with 100-3X, Ted Larson was right behind with 100-1X and Tom Horne, shooting a beautiful new – for him- 6PPC was third with 98-0X. In Factory Custom Bryan March and Gordon Chan both had 96-0X for first place, Matt Daly was second with 95-0X and Parker Letson shot a score of 87-0X for third place. In Factory, Dennis Tyskiewicz scored 99-3X for first place, Kevin Kellogg was second with 93-0X and the intrepid campaigner Matt

Caldwell was third with 91-2X.

Match two: Khanh and Ted both shot the excellent score of 100-3X, John Chang was second with 99-2X and Tom had 98-2X for third. In Factory Custom Bryan was first again scoring 98-1X, Gordon and Matt Daly both had 97-1X for second and Parker Letson was again third with 90-0X. In factory Matt Caldwell shot the best score with 97-1X (good shooting Matt!), Dennis was only one X behind scoring 97-0X and Kevin scored 93-0X with his AR.

Match three (100 yards= good scores): In Custom there were two sets of equal scores. In first place Tom and Ted tied with 100-6X and John and Khanh both had 100-5X. Wow, good shooting guys. In Factory Custom Gordon matched the best score of the day in any class with the impressive score of 100-7X, in second was Bryan with 99-3X and Matt Daly was third with 97-0X. In Factory class Dennis outpaced everyone with 100-6X. Matt

Class, Gordon in Factory Custom and Dennis walked away from everyone handsomely in Factory Class.

Our next match, the Siebert Shoot, for which we have a nice trophy, is March 11. We'll draw numbers for benches and, sorry, but the match fee will be more since we use a lot more targets. We'll shoot only one shot at each bull and we'll shoot five targets at each distance, 100 and 200 yards. So bring a bit more ammunition since it'll be a 50 shot match, plus sighters of course. There'll be a lunch break after the first yardage so bring a bite to eat if you don't want to be hungry during the last match. If there's something, anything, you'd like to donate for a prize that would be great. There's just one trophy for overall winner but we'll give prizes in all classes. We have a weight limit in the custom class of 13.5 pounds, like a registered match. That's the maximum in the Heavy Varmint Class. It will be a fun match so come

Caldwell was second with 95-3X and Kevin and Scott Burks tied for third with scores of 94-2X.

Last match, # four: In custom class it was a real close battle again: Ted shot almost a perfect score with 100-7X, John was one X behind with 100-6X and Tom and Khanh both shot scores of 100-5X. In Factory Custom Gordon again sparkled, shooting a custom class score, namely 100-6X. Bryan was second with 98-1X and Matt Daly was third with 93-1X. In factory class the scores were real close. Dennis, shooting well all day, scored 99-3x. Kevin was second with 98-3X and Matt Caldwell was just one X behind with 98-2X.

Ted was the overall winner in Custom

shoot with us and bring a friend. Any questions call Richard Nicol at 206-784-1093 or Dennis Tyskiewicz at 425-409-1223.

CMP Highpower Rifle Match

**Kenmore Range CMP Garand/
Springfield/Vintage/Modern Military
Match**

The Wildlife Committee of Washington's (CMP Affiliate 68095) 2017 began with a CMP As-Issued Military Rifle Match on Sunday, February 19th. Five competitors enter this event and the rifles used were a good representation across the spectrum. two AR-15s, two M-1 Garands and one Krag-Jørgensen. The competitors elected to follow Course B - 55 rounds. The ARs proved to be quite adept and both earned silver pins. The match scheduled for March 19th is another CMP As-Issued Military Rifle Match.

Robert Shuey gives a quick class on using the M-1 sling.

Range Committee

Beginning in March, the Range Committee meetings will be held in our Chalet.

Serving our club as Range Committee Chair has been my privilege for the last several years. It is a very good way to give back to our club for all the enjoyment we get from all of the activities we all benefit from.

My retirement plans have me leaving the area for an extended time and so I will be stepping down in June. If you are interested in becoming the head of this committee, please contact myself or Joe Rinaldi, Club President.

Range 3 improvements will begin on the morning Feb. 28. If you would like to take part in these work parties, please contact Dan Barton:

dan_48@frontier.com.

Jack Giuliano

Donations

We receive many donations during the course of a yearand we are very grateful. While we are not a charity and donations are not charitable contributions for tax purposes, all donations are put to work improving the facility and its operations. This month we received:

\$70 Donations

Dan Ivanoff

\$50 Donations

Shawn Parry
Charles Puls
Darrell Stenseth
Victor Vo
Robert Wilcox

\$30 Donations

Arthur Gunderman
Robert Harmon

**Pistol Marksmanship and
Competition Seminar**

The 1st Saturday of each month we have a pistol training session for Bullseye and International Standard Pistol. Learn what competition is all about and get a lot of practice on timed and rapid fire targets. Need to bring, at a minimum:

- A. .22LR semi-automatic standard pistol (5" barrel).
- B. 300-400 rounds of ..22LR
- C. \$15 fee

Starts at 9:00AM on Range #3

NRA Raises Their Member Dues

As of May 1st, 2016, the NRA has increased their membership dues by \$10. Those using our recruiter form, will still get \$10 off their dues. There are also reduced prices on 3 years, 5 years, and their Life member dues (\$1,000 and \$500).. Take advantage of these reduced dues.

The NRA and the WCW

Our club is an NRA recruiter, and we get a commission for all new members we sign up and for all renewals processed with our recruiter ID number. We receive \$10 for every new member and \$5 for every renewal.

The club has a significant number of NRA members and it would be a real benefit to the club for all those members to renew using the form below, or by using our web site's direct link to the NRA renewals....on the home page. Besides, by renewing through the club you save \$10. **Let's see, you save \$10 and the club gets another \$5....what a good deal.**

Then there are a great many WCW members who are not yet NRA members. The club

would receive \$10 of the \$30 special dues for every member who would join through the club. You would be doing your part on a national level to protect your gun and hunting rights. **You save \$10 and the club gets another \$10....a really good deal.**

Sign up your wife or husband or friends on an Associate membership for \$15 (no magazine) and the club gets a \$5 commission. Don't want to get the full membership, sign up for an Associate membership for yourself.

We have been getting an extra \$1,000 a year without much effort just from the few who sign up....we could get a great deal more and you would be doing yourself a favor. The benefits which come with an NRA membership are significant. You get \$1,000 un-scheduled firearm insurance and \$10,000/\$5,000

accidental life insurance. And you would be adding to the strength of the NRA, which has passed the 4 million member mark. There is strength in numbers and the number of NRA members should be much higher. Let's all pull together and give them the support they need.

As an aside, the NRA provides the lesson plans and manuals for all our safety classes....and also provides direct dollar grants for some of our projects.

Just remember, use the form below, or use our web site's home page direct link. Write your check to the NRA or use your credit card for easy processing.

SAVE MONEY and HELP THE CLUB.

New or Renewal Special Rates for NRA Membership \$30.00

By special arrangement, the NRA is allowing us to sign-up members for **\$10 OFF** their regular 1 year dues. You **MUST** make your check out to the **NRA** or you will be charged sales tax. Mail it to the club, drop it off at the Range Office or mail it directly to:
National Rifle Association, Recruiter Program Department, 11250 Waples Mill Road, Fairfax, VA 22030-7400
